

**Santa Barbara Men's Golf Club  
MONTHLY BOARD MEETING**

Feb 15, 2012  
6:00 PM

Present: Matt Free, LeRoy Villa, Bill Rupp, Biff Copeland, Tom Mitchell, Greg Bristol, Rick Padilla, Dominic Namnath  
Guest: Rich Barker

**Minutes of the Previous Meeting**

MOTION: Approval of minutes of 1/11/12 Board Meeting (Copeland, Mitchel; passed unanimously)

**Committee Report**

- Committee to Develop Team Play Guidelines for 2013  
The Committee presented tentative recommendations for consideration, including:
  - Team Selection
  - Captain Selection
  - Responsibilities of Captain
  - Responsibilities of players
  - Men's Club contribution to Team's expenses(See Attachment A for details)  
Based in these preliminary discussions, the Committee will bring a set of recommendations to the Board for action at the March Board meeting.
  
- Committee to Improve Club Communications  
The Committee presented to the Board a set of 14 recommendations for discussion and action. (See Attachment B)  
MOTION: The Board approves the 14 recommendations and authorizes the Secretary to proceed with their implementation (Namnath, Mitchell, passed unanimously)
  
- Committee to Review Club Policies  
The Committee is in the process of reviewing all versions of existing Club policies and will report its findings at the March Board meeting.

**Discussions and Actions**

- The Club Policy on posting tournament scores and its effect on player's handicap indexes  
Namnath presented a set of calculations that reviewed the scores of the top 25 Club members in the 2011 season and pointed out the implications of these calculations when considered in terms of the USGA Handicap Guidelines. These calculations and their implications were discussed at length.

Based on this discussion, the Policy Review Committee will include in its presentation at the March Board meeting a set of recommendations concerning the posting of scores and possible adjustments to player's indexes based on posted tournament scores.

- Annual Member/Guest tournament  
Planning is moving ahead of this tournament scheduled for March 24.

## **Standard Reports**

- Secretary – Biff Copeland  
Our E-mail marketing campaign, which intends to improve communication in the Club, is proceeding. We are slowly increasing the percentage of members who open e-mail sent by the Club. Note that, at the start of this campaign in October, we had a dismal 57% opening rate. Our most recent mailing achieved a 73% opening rate. This is good progress, but our goal is to have 100% of the members recognize the value of the information carried in our e-mails, at least enough to open them.
- Treasurer's Report – Tom Mitchell  
All bills are current. Bank balance is \$19,791.85. Budget is tight due to lower membership numbers. However, it is still very doable.
- Handicap – Bill Rupp  
The 2012 Script List (former Money List) will be slightly different from last year because the VP for Handicap has included players who played in the January tournaments but did not win any money. For 2012, he wants to be able to calculate an average tournament winnings for each player. Note, for January's Monday tournament, 3 players had scores under net par (of 23 competitors), and for the Sunday tournament, 4 players had scores under net par (of 40 competitors). (See Attachment C – Section 1)

Attachment C – Section 2 presents the breakdown of skins winners by handicap for the Monday and Sunday tournaments for 2011 (as discussed at January's meeting). Note, skins were done more frequently for the Monday tournaments than the Sunday tournaments.

Attachment C – Section 3 presents the updated Knuth points list. Currently, for the Monday tournaments, 3 players have their handicap reduced - D. Mead, L. Villa and G. Bristol.

We currently have 284 members.

In 2011, 127 members played in club tournaments – 113 won money while 14 members did not win money. Of the 14 non-winners, 11 of them played in only one tournament, 2 members played in two tournaments and one member played in 4 tournaments. Note: these numbers (for the non-money winners) do not include the

shamble tournament or the shark shootout tournament since players do not post for those tournaments.

- Golf Shop – Rich Barker  
no report
- Golf Advisory Council – Dominic Namnath  
Will receive after next GAC meeting.
- Tournaments – LeRoy Villa  
We will add three additional tournaments to this year’s schedule, all to be played on Saturdays. This experiment is intended to test whether Saturday tournaments will be attractive to a significant segment of the membership. The dates for these tournaments will be:
  - Saturday, April 7 at 2:30 PM for a 9 hole event.
  - Saturday, June 2 at 10:00 AM (ESPN Challenge Qualifier)
  - Saturday, July 7 at 10:00 AM
- Team Play –  
The final match is set for Saturday, February 18 at Glen Anne Golf Course  
The Team’s current standing in our group is 2 – 3  
La Purisima (currently 4-1) will win our group and advance to the playoffs with 27 other teams in southern California.

Meeting Adjourned: 8:23 pm

Next meeting scheduled for Tuesday, March 13 at 6:00 at Mulligans

Respectfully submitted

---

Biff Copeland

## **Proposed 2013 S.C.G.A. Team Play Guidelines**

**Purpose:** To give the members of our club the opportunity to represent our club in match play competition against other clubs in the most widely participated event conducted by the S.C.G.A.

**Team Selection:** Selection of the members of the team will be the responsibility of the team captain and assistant captain. All members of the SBMGC with a qualifying "index" will be eligible to tryout. The team selection will be based on performance during practice matches, prior team experience and overall participation in club events as determined by the team captains. The selection criteria will be subject to Board approval.

**Selection of Team Captain:** The team captains will be selected at the conclusion of the current year's completion based on a vote on the current team members. Team captain qualifications required having experience as member of a previous SCGA Team.

### **Captain's Responsibilities:**

- Attend men's club board meetings as requested to keep the board apprised.
  - May or June to outline plans for the next year.
  - Monthly reports Oct to end of play on status, issues, and performance
- Submit practice round schedule earlier in the year.
- Interface with the men's club secretary so team play activities can be included in the newsletter.

**Men's Club Contribution:** The club's contribution will be established with each year's budget. (Approximately \$2,500.00)

### **Player's Responsibility to the Team and Club:**

- Players should play in enough men's club tournaments to qualify to play in the men's club championship.
- Players should also compete in the President's Cup.
- Players who join our men's club too late to fulfill the above requirements will be exempt during their first team play season.
- Players are required to contribute funds to help pay for their opponent's green fees as well as pay for their opponent's lunch on the day of the home matches
- Players must be available to play a practice round prior to away matches.

## **Attachment B**

### **Report from the Committee on Improving Communication Within the Club Feb. 15, 2012**

The Committee was charged by the Board with bring to the Board a recommendation as to what the best vehicle is for maintaining the Club's presence on the WWWeb.

When considering this task, the Committee determined that the Club's web presence was only one of three associated issues that make up the larger topic of improving communications within the Club. Thus, while addressing its initial charge, the committee also would like to submit to the Board an additional set of recommendations that address these three issues.

**Issue #1** – What is the best vehicle for maintaining the Club's presence on the WWWeb?

#### **Observations:**

- The two vehicles that the Club currently uses, the Website and the Newsletter, now duplicate many functions.
- The current website is old in style and limited in utility.
- The tools that support the current Newsletter (iWeb and MobileMe) will be phased out of use by Apple Computer Inc. this coming summer
- The Club should take advantage of a number of new capabilities which can improve the functioning of our web presence, including:
  - Directly updatable content, including tournament results and team play results
  - Online registration for tournament tee times
  - Systematically archived information about topics such as monthly Board minutes and member participation in events so that they can be easily searched and desired information be retrieved.

#### **Recommendations:**

1. Both the current Website and the current Newsletter be abandoned and the services of the Website's "webmaster" be discontinued. (Savings to the Club = \$300. for website maintenance and \$45. for web hosting per year.)
2. The Club purchase a yearly subscription on Groupspaces.com on which to post the Club's WebSpace (Cost = \$148.80 per year)
3. The Club Secretary be charged with developing a workable WebSpace using Groupspaces.com so that the capabilities listed above are utilized
4. The Club's WebSpace on Groupspaces.com have the URL [www.sbmgc.com](http://www.sbmgc.com). NOTE: The Club already owns this domain name. Therefore, there will be no additional cost for this.

**Issue #2** – How can we best mount an e-mail marketing campaign aimed at 1) increasing the Club's membership, and 2) increasing participation of the members in the Club's events and activities?

**Observations:**

- The initial campaign that was begun in October revealed several difficulties in our previous e-mail efforts:
  - The e-mail list that was being used had many inaccuracies. Over 10% of the addresses we were using were not correct, resulting in these member not receiving our communications.
  - Over 43% of members who were receiving e-mails from the Club were not even opening them.
- The present e-mail campaign is slowly succeeding in remedying the above difficulties
  - The addresses on our e-mail list are now 100% accurate. (Note: 15 members have not given us their e-mail addresses and so do not receive our messages. This is their choice.)
  - In the latest (January, 2012) mailing, the e-mail was opened by 73% of the membership, up from 57% in October.

**Recommendations:**

5. The current e-mail campaign should be continued. (Note: We are using the in-line tool MailChimp at no cost to the Club.)
6. The content of e-mails should be expanded to provide: 1) more detailed descriptions of events such as up-coming tournaments, that are immediately important to the membership, and 2) less detailed alerts about events that should be anticipated but are further in the future.
7. The timing of the campaign be “regularized” by creating a detailed “E-Mail Marketing Campaign for 2012” (see below) so that a fewer number of more information-rich e-mails are sent at regular intervals, thus making them appear less like SPAM and more worthy of opening.

**Issue #3** – How can the Club’s WebSpace and e-mail campaign be used to promote ease and clarity of communication among the membership?

**Observations:**

- The Newsletter is currently publishing news and feature articles intended to be beneficial to the membership but we only have anecdotal evidence of its usefulness.
- The Newsletter currently has a “Photo Library” but only one member has ever submitted a photo for it.
- Much of the current communication among members is cumbersome and prone to inaccuracies
  - For example, to register for a tournament a member must either 1) put his name on a list at a previous tournament, or 2) e-mail Rich Barker, or 3) come by the Pro Shop and sign up. In the weeks before the tournament, members often forget the times they signed up for and may be in the dark as to whom they will be laying with. Groupings and tee times come available only a day or two before the event.
- Members have many questions but no place to address them. E.g., “How can I try out for Team Play?” “Does a local rule govern those rocks on #17 fairway?” “If it rains on Sunday, will the tournament be postponed?” “If it is raining, do we play ‘winter rules’?” “When I post my score, do I label it as a ‘tournament score’?”
- Members have no place to voice their opinions so that other members can hear and perhaps respond.

**Recommendations:**

8. The Club's new WebSpace should continue to post news and feature articles presumed to be of interest to the members.
9. An effort should be made to solicit members' comments about the utility of these news and feature articles and suggestions of what other topics might be of interest.
10. The Club's new WebSpace should include an On-Line Registration tool that will allow members, at any time in the preceding month, to sign up for a tournament, to see who else is signed up, to see what tee times everybody has, and to change tee times or take one's name off as desired.
11. How a member can communicate with a Board member should be clear and easy. To this end, a unified e-mail account should be set up for the Board members. Each Board member should be assigned one of the following e-mail addresses as appropriate:
  - President@sbmgc.com
  - VP\_Tournaments@sbmgc.com
  - VP\_Handical@sbmgc.com
  - Secretary@sbmgc.com
  - Treasurer@sbmgc.com
  - MemberAtLarge@sbmgc.comFor each Board member, a reflector will be established to forward e-mail received at this address to another "home" e-mail account of his choice.
12. The Club's new WebSpace should include a Frequently Asked Questions (FAQ) tool that can be expanded as needed.
13. The Club's new WebSpace should include a discussion forum in which members can post comments as they desire.
14. The Club's new WebSpace should include a Photo Library tool into which members for whom the Club has a valid e-mail address can post photos directly.

## E-mail Marketing Campaign for 2012
